

PEACE PARTY 2010: Human Rights ~ Civil Liberties ~ Respect!

Instructions to SIGNERS:

- ~ must be New York State registered voters. Party does not matter.
- ~ must NOT have already signed a petition for another candidate running for Governor

Instructions to PETITIONERS:

- ~ must be registered to vote in New York State.
- ~ must sign bottom of petition under "Statement of Witness" (Leave area under "Notary Public blank) only AFTER all five signatures have been filled in.
- ~ must NOT number the pages
- ~ Next to the date there is a split box. Printed name goes on the bottom (fill that in first) and SIGNATURE ABOVE (if person signs below printed name this is still acceptable).
- ~ NEATNESS is encouraged so that every signature counts (if a signer makes a mistake they can correct it but must initial the correction).
- ~ Townships and counties must be requested if it isn't filled in. If signers are unsure of their township or county please leave it blank, to be filled in later. Please note the five boroughs (aka 'county') of New York City are as such: Staten Island is Richmond; Brooklyn is Kings; Queens; Bronx; Manhattan

TELL ALL SIGNERS that what their signature says is that a person has a right to run for political office. What we are finding people respond to, is that we have the right to create a NEW political party.

PEACE PARTY seeks ballot access in the 2012 Presidential Election to instill "Goodness in Government" from the top down. Running for Governor is the first step toward this goal. Please HELP US by attaining signatures NOW: July and August 2010.
